## Study Materials

### Main Textbook

Erwin Tschirner, Brigitte Nikolai, and Tracy D. Terrell. *Kontakte: A Communicative Approach*. 8<sup>th</sup> ed. Boston, MA: McGraw-Hill, 2013. ISBN:1259116948 / 9781259116940.

The package containing the loose-leaf edition of the book and the online code for the necessary online components (“Connect PLUS”) is available in the Rutgers Bookstore at a special discounted price for Rutgers students.

### Recommended Grammar Book

Cecile Zorach, Charlotte Melin, Elizabeth A. Kautz. *English Grammar for Students of German: The Study Guide for Those Learning German*. 6<sup>th</sup> ed. Ann Arbor, MI: The Olivia & Hill Press, 2014. ISBN-13: 9780934034432.

Each chapter covers a grammar point: i.e., a part of speech (noun, verb, pronoun), a word's function in a sentence (subject, direct object, indirect object), or a grammatical term (tense, conjugation, declension, gender). It explains both German and English grammars as they relate to each other and points out similarities, differences, and explains typical difficulties.

### Handouts

Handouts are distributed in class.

## Course Websites

### Sakai

Sakai (<http://sakai.rutgers.edu>) is the main website for the course. All students officially enrolled in this course already have access to it. Students who do not have access need to contact the instructor. Students should check the website frequently for announcements and assignments.

### Connect

Connect (<http://connect.mheducation.com/class/2016f-101-02>) is the textbook-based website for this course. It is used to complete the homework assignments. The use of this website requires registration. To register, open the URL <http://connect.mheducation.com/class/2016f-101-02>, click the *Register Now* button and follow the instructions. Students should use their Rutgers e-mail address as login. If the student has the registration code received with the *Kontakte* textbook purchased, the code should be used at the registration. If the book has not yet arrived, it is possible to register for a limited-time courtesy access and insert the code later when it arrives with the book purchased.

### Quizlet

Quizlet (<https://quizlet.com/class/2999730>) is the site with vocabulary lists for the course. It contains different learning activities based on each list. The links on p. 7–10 of the PDF version of the Syllabus are linked to quizlets on this site. Although the use of the Quizlet site is optional, experience shows that students who use it learn vocabulary faster and in a more entertaining way.

## Course Requirements

### Class Participation • 15%

Active class participation is crucial for language learning. The following are the rubrics for participation:

	Attentiveness	Contribution	Use of German
Expectations are met (90–100%)	The student always pays attention.	The student is always eager to contribute to class discussion, exercises, and group work. The student often asks questions. The student always volunteers answers.	The student speaks only German during class.
Expectations are almost met (80–89%)	The student pays attention most of the time.	The student is usually eager to contribute to class discussion, exercises, and group work. The student occasionally asks questions and volunteers answers most of the time.	The student speaks German almost always during class.
Expectations are barely met (70–79%)	The student sometimes pays attention.	The student is occasionally eager to contribute to class discussion, exercises, and group work. The student occasionally asks questions and sometimes volunteers answers.	The student speaks German most of the time during class, but sometimes still switches to English.

The student almost never asks questions or volunteers answers.	The student speaks German some of the time during class, and often switches to English.

### Homework Assignments • 15%

- The homework assignments listed in the Syllabus must be completed online on the Connect website ([Connect](#)) by the date indicated. For each day that an assignment is overdue 10% of its score will be automatically deducted.
- Note: There will be homework assignments not listed on the Syllabus given by the instructor during class.

### Vocabulary Quizzes • 10%

Learning vocabulary is a crucial part of mastering a language. Each session students will write a 3-minute quiz based on the vocabulary portion learned for that day. The Syllabus contains links to online quizlets for learning and reviewing vocabulary for each session. Use of quizlets is optional.

### Oral Tests • 15%

During the semester students will complete three speaking tasks of increasing length and complexity that will be recorded outside the classroom using the online tool *Vocaroo* (<http://vocaroo.com>) and sent to the instructor by e-mail. The detailed instructions for each oral test will be uploaded on Sakai. These tasks will allow the students to demonstrate their breadth of vocabulary, fluency, comprehensibility, and mastery of grammar structures.

### Examinations • 45%

- ★ The Midterm Examination (20%) will take place on Monday, October 31 (Session 24) in Scott Hall, Room 106.

## Communication with the Instructor

### @ E-Mail

The best way to contact the instructor outside the classroom is to e-mail [pichugin@rutgers.edu](mailto:pichugin@rutgers.edu). Generally the e-mails are answered within 48 hours. The e-mail subject line should start with *101 – FirstName LastName*, e.g. *101 – Michael Smith – Question re...* This will help direct the message to the correct folder for quick processing. If the subject line is formatted differently, the message may be read with delay.

### Progress Reports

On the dates indicated in the Syllabus, students will write short progress reports, where they reflect upon the course and their individual progress. They will describe what they have learned, what more they would like to learn, what aspects of the course they like or dislike and why. The reports are not graded. They help the instructor better coordinate the students' expectations and progress with the learning goals of the course. The reports have to be sent as \*.pdf files named *101 – Progress Report # – FirstName LastName.pdf*, e.g. *101 – Progress Report 2 – Michael Smith.pdf* and attached to an e-mail message sent to [pichugin@rutgers.edu](mailto:pichugin@rutgers.edu) with the subject line starting *101 – FirstName LastName – Progress Report #*, e.g. *101 – Progress Report 2 – Michael Smith*.

### Mandatory Office Hours

The students will be required to attend two mandatory office hours (students are always welcome during regular office hours indicated on p. 1). This will give the students an opportunity to work with the instructor on individual language and skill needs and discuss individual questions and concerns. The sign-up sheet for the mandatory office hours will be circulated in class.

## Department and School Policies

### Academic Integrity

Violation of academic integrity is an extremely serious matter; it can lead to a student's failing the course and being referred to the University's Office of Student Conduct for disciplinary action. When referring to ideas other than their own, students should always acknowledge their sources clearly and completely, whether they are quoting or paraphrasing. Note also that use of online translation services is not permitted as a tool for generating work submitted for course credit. Please see the University's policies on academic integrity at <http://academicintegrity.rutgers.edu> and discuss with the instructor any questions about this and related issues.

### Attendance

All students must attend regularly and arrive prepared. If a student expects to miss one or two classes, he/she should use the University Self-Reporting Absence website (<https://sims.rutgers.edu/ssra>) to indicate the date and the reason for the absence. An e-mail notification is automatically sent to the instructor. Those who miss more than two class sessions without a compelling excuse should expect a one-step reduction in the course grade (i.e. an A becomes a B+, a B+ becomes a B). Every additional three absences may entail a further one-step grade-reduction. Three late arrivals count as one absence.

**Note:** It is the responsibility of the student who has been absent (for any reason) to find out what he/she has missed and obtain materials that may have been handed out.

### Use of Electronic Devices

Cell phones and all other electronic devices (iPods, iPads, tablets, audio players, etc.) must be turned off during class out of respect for fellow students and the instructor

## Assistance and Support Services

### Additional Assistance

Students are encouraged to come to their instructor's office hours with any questions and problems pertaining to class. Any student who needs additional help should contact the Learning Resource Center or the Department's tutors as soon as possible. Further details can be found at the Department website: <http://german.rutgers.edu>.

### Disability Support Services

Rutgers University welcomes students with disabilities into all of its educational programs. In order to receive consideration for reasonable accommodations, students with a disability have to familiarize themselves with procedures and policies regarding disability support services at the following website: <http://ods.rutgers.edu>. It is recommended that students seeking accommodations begin filing paperwork as soon as possible as the documentation review process may take up to 30 business days. Students are encouraged to speak with the instructor about these issues at the beginning of the term. All such conversations will be kept strictly confidential.
