Department Policies:

- Attendance

All students must attend regularly and arrive prepared; if you expect to miss one or two classes, please use the University absence reporting website <https://sims.rutgers.edu/ssra/> to indicate the date and reason for your absence. An email is automatically sent to me. Those who miss more than two class sessions without a compelling excuse should expect a one-step reduction in the course grade (i.e. an A becomes a B+, a B+ becomes a B). Every additional three absences may entail a further one-step grade-reduction. Three late arrivals count as one absence. Note: It is the responsibility of the student who has been absent (for any reason) to find out what they have missed and obtain materials that may have been handed out.

- Disability Support Services

Students who may be requesting accommodations due to disabilities are encouraged to familiarize themselves with procedures and policies regarding disability support services at the following website: <https://ods.rutgers.edu/>. It is recommended that students seeking accommodations begin filing paperwork as soon as possible as the documentation review process may take up to 30 business days. Students are encouraged to speak with teachers about these issues at the beginning of the term. All such conversations will be kept strictly confidential.

- Academic Integrity

Violations of academic integrity are an extremely serious matter, and can lead to a student's failing the course and being referred to the University's Office of Student Conduct for disciplinary action. When referring to ideas other than your own, always acknowledge your sources clearly and completely, whether you are quoting or paraphrasing. Note also that use of online translation services is not permitted as a tool for generating work that you submit for course credit. Please see the University's policies on academic integrity at <http://academicintegrity.rutgers.edu/academic-integrity-at-rutgers> and discuss with the instructor any questions about this and related issues.

- Cell Phones

Cell phones and all other electronic devices (beepers, iPods, MP3 players....) must be turned off during class out of respect for the instructor and fellow students. Please schedule all important phone communications outside of class time.
