. Attendance

All students must attend regularly and arrive prepared. Those who miss more than two class sessions without a compelling excuse (a doctor's or college dean's note, for instance) should expect a one-step reduction in the course grade (i.e. an A becomes a B+, a B+ becomes a B). Three late arrivals count as one absence. Note: It is the responsibility of students who have been absent (for any reason) to find out what they have missed and obtain materials that may have been handed out.

. Photocopies

Department photocopying fees add up quickly and impressively; we will therefore need to collect from each student 5 cents per page toward the cost of handouts other than the syllabus, quizzes and tests.

. Online course materials - if applicable

Please note that our course will have its own website on

<https://sakai.rutgers.edu/portal>. You can log on using your Net ID and password. If the course does not appear as one of your tabs, please search and add it or contact me and I will grant you access. Some of the reading will be available via Sakai and you are required to print and bring those readings to class on the scheduled days as part of your class participation grade. Please check Sakai frequently for updates, announcements, and resources. You can also communicate with your classmates via Sakai in the

Chat Room or pose questions in the Forum. Online materials may also be available through library online reserves. Please go to http://www.libraries.rutgers.edu/rul/lib_servs/course_reserves.shtml and log

in using your Net ID and password. You can then search by Instructor, Course Number, or Course Name.

. Plagiarism
Plagiarism is an extremely serious matter, and can lead to a student's failing the course and being referred to his or her dean for disciplinary action. When referring to ideas other than your own, always acknowledge your sources clearly and completely, whether you are quoting or paraphrasing. Please see the University's policies on academic integrity at <http://teachx.rutgers.edu/integrity/policy.html>, and discuss with your instructor any questions you may have about this and related issues.

Disability Support Services
Students who may be requesting accommodations due to disabilities are encouraged to familiarize themselves with procedures and policies regarding disability support services at the following website: <http://disabilityservices.rutgers.edu/>. It is recommended that students seeking accommodations begin filing paperwork as soon as possible as the documentation review process may take up to 30 business days. Students are encouraged to speak with teachers about these issues at the beginning of the term. All such conversations will be kept strictly confidential.

Cell Phones
Cell phones and all other technological devices (beepers, iPods, MP3players...) must be turned off during class out of respect to the instructor and fellow students. Please schedule all important phone communications outside of class time.
