Course Description

This is an instructor-guided laboratory practicum based on intensive use of media. Designed for the improvement of aural/oral skills, this course gives the chance to practice language and have your questions answered. Practice involves use of text related audiotapes and videotapes, individual and group work, and recordings of student speech for evaluation of pronunciation and fluency as well as the computer game The Sims2, German songs and videos, and the Internet in general.

This course serves as a supplement to Elementary German 101.

Required books

No textbook is required for this course. Occasional handouts will be provided by the instructor.

Attendance

All students must attend regularly and arrive prepared. Those who miss more than two class sessions during the semester without a compelling excuse (e.g. a doctor's note, college dean's note, etc.) should expect a one-step reduction in the cumulative course grade (i.e. an A becomes a B+, a B+ becomes a B, and so on). Three late arrivals (arriving more than ten minutes after beginning of the class period) count as one absence.

Absences for reasons of religious obligation are excused. However, students are advised to provide timely notification to the instructor about necessary absences for religious observances and are responsible for making up the work or exams according to a previously agreed-upon schedule. In any case of absence, it is the responsibility of the student to find out what he/she missed and obtain materials that may have been handed out. Exams and quizzes cannot be made up (missed quiz or exam grade=0).

Plagiarism

Plagiarism is an extremely serious matter, and can lead to a student's failing the course and being referred to his or her dean for disciplinary action. When referring to ideas other than your own, whether quoting or paraphrasing, **always acknowledge your sources clearly and completely.** Please see the University's policies on academic integrity at: <http://teachx.rutgers.edu/integrity/policy.html> and discuss with the instructor any questions you may have about this issue.

Disability Support Services

Students who may be requesting accommodations due to disabilities are encouraged to familiarize themselves with procedures and policies regarding disability support services at the following website: <http://disabilityservices.rutgers.edu/>. It is recommended that students seeking accommodations begin filing paperwork as soon as possible as the documentation review process may take up to 30 business days. Students are encouraged to speak with teachers about these issues at the beginning of the term. All such conversations will be kept strictly confidential.

Photocopies

Department photocopying expenses add up quickly and impressively. Therefore, the department charges five cents per page for any handouts given throughout the semester. *Not* included in this fee are the syllabus, quizzes and tests.

Additional Information

Cell phones and all other technological devices (beepers, iPods, MP3Players, etc.) must be turned off during class out of respect to the instructor and fellow students. Please schedule important communications outside of class time.

Additional assistance

Students are encouraged to come to their instructor's office hours with any questions and problems pertaining to class. Any student who needs additional help should contact the LRC (Learning Resource Center) or the department's tutors as soon as possible. Additional practice is available at the conversation tables offered each semester at the Language Institute. Informal conversation sessions are also held weekly in the Rutgers student center. Check the German Department website (www.german.rutgers.edu) for further details.
