### **Der Schuh des Manitu (Manitou's Shoe)**

Comedy (2001), dir. Michael Herbig.

Abahachi, Chief of the Apache Indians, and his blood brother, Ranger, maintain peace and justice in the Wild West. One day, Abahachi needs to take up a credit from the Shoshone Indians to finance his tribe's new saloon. Unfortunately, Santa Maria, who sold the saloon, betrays Abahachi, takes the money and leaves. Soon, the Shoshones are on the warpath to get their money back, and Abahachi is forced to organize it quickly. ([www.imdb.com](http://www.imdb.com))

The movie is a parody of the German Western movies that are based on Karl May novels, like *Treasure of Silver Lake*, *Apache Gold*, *Last of the Renegades*, *The Desperado Trail*, which are very popular in German speaking countries. It also parodies well known Western movies and the famous lore chase scene from *Indiana Jones and the Temple of Doom*. It is generally considered as being the most successful German movie ever with 12 million viewers in Germany alone. ([www.imfdb.org](http://www.imfdb.org))

All movies shown at the German Movie Night have English subtitles. Admission is free, and the door is open to everyone. Free pizza will be served!
